## Comments from parents - Strengths

I believe Herrick is an outstanding school which provides fantastic opportunities for all children to learn and express themselves in a safe and supportive environment.

My child loves to come to school. He doesn't want to miss school for a single day. He has some speech problems but he has improved very much in his speech. Thanks to you all.

My child is moving on to secondary school. His time at Herrick has been a happy one and has made good progress.

Excellent work. Keep it up!

This year, I have found that the communication to parents has greatly improved. It is clear that actions have been taken following feedback. I really appreciate the help from the office every time. A big thank you to the ladies in the office for their prompt help with my queries.

I am happy with my child's progress at school.

My child has made good progress with the help of all the staff. Thank you.

Keep up the great work.

We are very thankful to the class teacher. My child has made very good progress. After school club – wish it was for more than 1 hour!

Thank you very much for helping my son. Thank you all.

Really happy with the visits but would like to have more clubs like swimming and dancing.

Teachers are very good and helpful.

Fantastic school no problems at all.

Many thanks for all staff at the school and my child's class teacher.

My child has been very happy throughout his learning at Herrick. Teachers/ children have been a pleasure to know. Continue to do what you do.

I love the continued improvements. More arts and crafts work please.

This year's school end of term reports are great. Simple, effective and simple to understand.

We are very pleased with our child's progress and the school too.

School is very good for my child.

I am very pleased with my child's progress at the school even though I am not able to give much time to my child.

## Comments from parents - Areas to Review

Put the price of dinner down.

Bigger classrooms.

I would suggest if you would consider a summer fair on a weekend. So parents could join in.

The school needs a clean at the front of the gates and the trees need to be cut.

Appointments for parents' meeting could try and run on time. Parents who come late and have appointments first should be not seen in other parents time, parents who are on time.

Sometimes it can be beneficial for a child to be taken out of school – for educational and family trips – other schools allow them, why not this one?

Children should be rewarded for effort and good behaviour in school by being selected for events like football. My son was told off for wearing trainers in school. Other kids do this all the time and continue to do so without being told off.
