Links to the school area	Having worked at the school in the past, I had links to the school itself. As such I got to know many of the parents and people in the area.
Why did you become a Governor?	I worked at Herrick as Premises Officer for several years and was asked by the then Chair, Gill, to consider becoming a Governor. This a role that I totally relish as I enjoy the ethos of the school and it allows me to continue to be involved in its running.
