Why did you become a Governor?	<p>I had two children who attended Herrick and have lived in the area for a number of years. Since becoming a Governor I have been able to engage with many members of the local community.</p> <p>This post gives me the chance to be involved in the education of all our children. Whilst it is the staff that have the face to face contact with them, being part of the Governing Body impacts on their learning.</p> <p>As a Governor I have been able to see the development of the children in a holistic manner - both from the classroom and on their social and emotional well-being. This has been extremely evident and important in recent times.</p> <p>Overall I have found being a Governor very rewarding and I look forward to continuing to being part of the Herrick family.</p>
