Going Forward – Pupil Feedback (Summer Term 2023)

Dear Parents/Carers,

We recently sent you the outcome of the parent/carer questionnaire which was conducted at the end of the last academic year. We also asked the children on their thoughts and opinions to help us understand how we can improve the school for them.

The answers from both surveys enabled us to gain insight into particular aspects of what we do and how we do it, and to inform development planning for improvement.

We have compared the outcomes to the autumn (2022) questionnaire to help evaluate the impact of actions that were taken in-response to the earlier survey that was taken in the beginning of the year.

Pupil voice is an important aspect of school life. The Herrick Management Team is a select group of children who have an influential and important role within our school. Comprised of the School Council (1 representative per class from Year 2 to Year 6), Red Hats (playground helpers), and F.A.B.'s (Friends Against Bullying) they work to help support the positive behavior management of all the children in our school.

Please see below the responses from the pupil's questionnaire and what we will do going forward.

<i>(Actions) What we shared with our children:</i> We are impressed at how many dojo prizes have been awarded so there is lots to celebrate! However, it is good to see that many of you feel we listen and deal with your concerns.					

Yours sincerely
