

## **Attendance Policy** **Ratified by Governors October 2017** **Review October 2020**

Herrick Primary is a successful school and your child plays their part in making it so. We aim for an environment which enables and encourages all members of the community to reach out for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. As a school we will work closely with the Education Welfare Service to support regular school attendance. This school attendance policy is written to reflect the law and also the guidance produced by the Department of Education.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

### **Why Regular Attendance is so important**

Any absence (including lateness) affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason is an offence in law and may result in a Fixed Penalty Notice (for each parent/carer) and/or prosecution.

### **Promoting Regular Attendance**

Helping to create a pattern of regular attendance is everybody's responsibility – parents/carers, pupils and all members of school staff.

#### **To help us all to focus on this we will:**

- Give you information on attendance in our newsletters;
- Provide you with reports on how your child is performing in school, what their attendance and punctuality is, and how this relates to their attainment;
- Celebrate good attendance by displaying individual and class achievements;

### **Understanding types of absence**

By law, every half-day absence from school has to be classified by the school (not by the parents/carers), as either AUTHORISED or UNAUTHORISED. This is why information about the reason for any absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for a genuine reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This type of absence can lead to the Authority using sanctions and/or legal proceedings. This includes:

- parents/carers keeping children off school unnecessarily (ie condoned absence)
- truancy during the school day
- absences which have never been properly explained
- children who arrive at school too late to get a mark
- shopping, looking after other children, birthdays
- day trips and holidays in term time which have not been agreed.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to

attend school. Any problems with regular attendance should be addressed by the school, the parents/carers and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

### **Persistent Absenteeism (PA)**

A pupil becomes a 'persistent absentee' when they miss 20% or more schooling across the school year for whatever reason. Absence at this level causes considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this.

We monitor all pupil absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

PA pupils are tracked and monitored carefully through the Educational Welfare system and we also combine this with academic mentoring where necessary.

### **Absence Procedures**

#### **If your child is absent you must:**

- Contact us as soon as possible on the first day of absence;
- Send a note in on the first day they return with an explanation of the absence – you must do this even if you have already telephoned us;
- Or, you can call into school and report to reception, who will arrange for a member of staff to speak with you either then or at a later point.

NB Notes/letters that you send us will be stored on your child's file.

#### **If your child is absent we will:**

- Telephone you on the first day of absence (*and on subsequent days*) if we have not heard from you;
- Write to you if we are concerned about your child's attendance to alert you to a concerning emerging pattern or level of absence.
- Refer the matter to the Education Welfare Officer (EWO) if attendance is a concern.
- In some circumstances, if your child is absent from school and has not been seen, we will arrange for a visit to your home to be undertaken to establish that your child is safe. This could be by a Police Officer.

NB Letters and notes of our contact with you will be stored on your child's file.

### **Telephone numbers**

There are times when we need to contact parents about a variety of matters, including absence, so we need to have your contact numbers at all times. Please help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. *There will be regular checks on telephone numbers throughout the year.*

### **The Education Welfare Officer**

Parents/carers are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may refer the child to the Education Welfare Officer from the Local Authority. He/she will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorized absences persist, these Officers can use sanctions such as Fixed Penalty Notices or prosecutions in the Magistrates'

Court.

Full details of the options open to enforce attendance at school are available from the school or the Local Authority. (Please note that Penalty Notices can be issued by the Local Authority immediately following a period of holiday-related leave that has not been authorised by the school.)

### **Lateness**

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence.

### **How we manage lateness**

The school day starts at 8.50a.m. and we expect your child to be in class at that time. Registers are marked by 8.55a.m. and your child will receive a late mark if they are not in by that time.

At 9.00a.m. the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

### **Children who arrive late / collected late**

If your child arrives late or is collected late at the end of the school day you will be asked to sign them in/out on our electronic recording system – this information is then attached to your child's attendance record.

### **Holidays In Term Time**

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents/carers to help their child by not taking them away in school time.

#### **Changes to the Authorisation of Term Time Holiday – from Sept 13**

From 1<sup>st</sup> September 2013, the reference **in law** to Headteachers being able (at their discretion) to agree up to ten days of leave of absence **was removed**.

Instead, the legal reference has been amended and means that schools **should not authorise** leave of absence unless -

- The Headteacher considers that there are exceptional circumstances relating to the application **AND**
- An application has been made in advance by the parent/carer

Penalty Notices may be issued from Leicester City for parents who take their children on holiday in term time. Penalty Notice charges are –

- £60 per child, per parent if paid within 21 days of receipt of the notice and £120 if paid within 28 days

***Please be aware that the local authority can issue the penalty if the school obtains evidence that an unauthorised holiday has been taken.***

As a result of this change in law the Governors of Herrick Primary School have amended this policy. From September 2013 **NO** holiday will be authorised unless the Headteacher and Chair of Governors consider the request to be an exceptional circumstance.

If you wish the Headteacher and Chair of Governors to consider your request the following actions should be taken –

- Request form to be collected from the school office.
- Forms **MUST** be completed and returned at least **10 days** before the first day requested.
- If the form is not returned 10 days prior then the leave will automatically be unauthorised.

The Headteacher and Chair of Governors will look at each request individually. Previous holidays, attendance and the child's class work will all be taken into account when making the final decision.

**Please note:**

**No** leave will be granted for any child in Year 2 or Year 6

**No** leave will be granted for any child who has any 'unauthorised' absences

**School targets, projects and special initiatives:**

The school has targets to improve attendance and your child has an important part to play in meeting these targets.

The Attendance target for the school for 2017/2018 is 96%

Our target is to achieve better than this however because we know that good attendance is the key to successful schooling and we believe our pupils can be amongst the best in the city.

Through the school year we monitor absences and punctuality to show us where improvements need to be made. Information on any projects or initiatives that will focus on these areas will be provided in our *newsletters* and we ask for your full support.

**The registration system**

The school will use a computerised system for keeping school attendance records. The following national codes will be used to record attendance information.

## Official Registers

A copy of the electronic registers will be printed monthly providing a paper version of the stored information from the previous term. The register will also have an audit trail of changes printed with it to provide a 'history of change' for the registration period printed. The monthly printouts will be bound together to form a years record and stored for a period of 3 years in a safe location.

### Those people responsible for attendance matters in this school are:

Mr U Patel – Headteacher  
Mrs A Aydin – Assistant Headteacher  
Mrs S Tuckwood- Attendance Officer

### Pupils leaving

If your child leaves our School it is the parents/carers duty to provide us with the information of the school they will be attending. If you do not have this information then the school electronic file will be sent to the DfE and classed as a 'lost pupil' until this information is provided.

When a child leaves the school and the information of their new school is provided, their electronic file is passed via a secure site to the new school.

### Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. All school staff are committed to working with parents and pupils as the best way to ensure as high a level of attendance as possible.
