

HOMework POLICY

August 2021

KS1/KS2 Spellings

All Spelling lists are available for the Herrick Website under Curriculum. Spellings for the week ahead are uploaded on DB Primary on Wednesdays.

Reading Books

KS1 children will be given a reading book to take home on Mondays and children will need to bring the book back on Friday. Children are encouraged to read 20 minutes daily.

KS2 children will be able to change one book (fiction/non-fiction) daily if they return the previous book from Monday to Thursdays. We encourage children to write a review and submit via the Herrick website.

Times Tables

KS2 children have been provided with login details for TT Rockstars to practise their times tables. We recommend 20 minutes daily. They have been shown how to use TT Rockstars.

KS1/KS2 Homework is uploaded on Wednesdays.

Reading Comprehension and/or Grammar and Punctuation Tasks and Numeracy Activities will be uploaded on to DB Primary each week. To ensure, children are given opportunity to self-assess and have instant feedback, the answers will be provided the following week on **Wednesdays**. Children will not be required to submit their work unless the teachers request it. All submitted work will be acknowledged by the teacher.

Children may be given a homework booklet instead to work on at home depending on the nature of the task.

Curriculum Projects or Competitions

Children may be set projects or encouraged to enter competitions which they will need to work on over a longer period of time and then share with their teacher either by submitting a photo or work online via the homework website or they may be asked to bring in and share.

Teachers will make it very clear to the children which work they are required to upload or submit via email or bring back to school.
