

## Topic

### Geography

Geography is not taught in the Autumn term for Year 5.

### History

In History, the children will be learning all about the Maya Civilisation and how it evolved. They will explore the characteristics of Mayan pyramids. The children will then go on to focus on settlements during the Stone/Bronze and Iron Age Period.

### Art & Design

In art the children will have a go at creating a Mayan mask through Sculpture, collaging and painting. They will be exploring different materials and textures with colour.

### Design Technology

In Design Technology, the children will be looking at mechanisms and using pulleys and gears.

## What are We Learning in Year 5 during the Autumn Term?

### Computing

In computing this term, we are looking at Computer systems and networks. The children will learn all about computers and their communication and how to explain the connection between different systems. They will also be learning how to effectively edit videos.

### PSHE/RSE

Being Me in My World is the first topic the children will cover in PSHE. They will learn all about goals and dreams and how to create effective target. They will use the British values to help learn about being global citizens and learn their rights and responsibilities within the world.

### PE

In PE this term the children will be working with on their hockey skills and learning to use their equipment safely. They will also be looking at working as a team.

### Science

Science is a practical subject and children will work in small groups, partners and individually. Science is a combination of working like a scientist and building up knowledge and understanding. This term we will be looking at the properties of material and how states of matters can change as well as how to separate mixtures effectively. .

### French

This term in French we will be learning all about using nouns and adjective to create sentences. The sentences will be about imaginary monsters.

### Music

In music this term the children are learning all about beats and rhythms. They are focussing on the tune of 'Livin on a Prayer' and using Glockenspiels.

### Religious Education

In RE, we will be learning all about concepts of welcoming new life into the world and how people can show commitment to religion. Pupils will focus on Judaism, Christianity and Hinduism and compare different beliefs.
