NSPCC workshop - 16 November 2023

2 November 2023

Dear Parents/Carers,

An important aspect of the school curriculum is 'keeping children safe' – we are fortunate to have the NSPCC (National Society for the Prevention of Cruelty to Children) visiting the school to deliver a workshop for the children in years 5 and 6. Protecting children from all forms of harm and abuse is the responsibility of everyone, it is also important that we teach our children about recognising and knowing what is acceptable and what is not. We want all our children to grow up into confident, healthy and happy young people.

The workshop will take place on Thursday 16 November during school hours. Below is an outline of what will be discussed.
