## Christmas Holidays

**Reopen:**

**10 January  
2024**

Dear Parents/Carers,

We have come to the end of a very busy term. All year groups have been working hard which proves they are 'never give uppers'. We are very proud of their achievements, and their enthusiasm for learning!

We would like to thank you as parents/carers, for your commitment to working in partnership with us to ensure all children reach their full potential.

Next term will be busy with Science Week, Comic Relief, and we also have many trips planned for the children to continue with their learning and develop their social skills in a different way.

We hope you and your family have a great Christmas Holiday, and we look forward to the children returning refreshed and ready to learn. 'Learning never stops'!

Kind regards  
U Patel

Dear Parents/Carers,

Watching the youngest children perform their Nativity story it made me feel very proud to be a part of the Herrick Community. It was wonderful to see so many of you excitedly watching the children perform so confidently.

These are occasions when we can physically see the rewards of all the hard work and dedication that the staff and children display every day in school.

However, this is only possible with your support as parents/carers and I would like to thank you for your continued support in helping the school provide the best education possible for your children.

On behalf of all the Governing body, I wish you seasons greetings and every success for the new year.

Steve Martin  
Chair of Governors
