# School Development Plan 2021-24 Original (3 Year Plan)

# School Development Plan 2022-23(Year 2 of plan) EVALUATION

# **Our Vision**

Our Vision is of an equitable and inclusive education that is underpinned by the essence of 'Every Child Matters', which to all at Herrick means:

#### TO GIVE EACH AND EVERYONE A CHANCE

Our educational values are based on the richness and diversity of the school's communities and the significant partnership that school, parents and carers have in ensuring pupils' well-being, improving their achievement and personal development.

#### Our educational values are:

- provide enjoyable learning experiences through an innovative and relevant curriculum
  - collectively support all children to achieve their full potential
    - to respect and celebrate cultural diversity
  - access and address the needs of children, parents/carers, staff and community
  - nurture children to become confident and responsible citizens of the 21st Century

#### OR

as in the words of our children

- being me, being safe, being happy
  - learning never stops
    - speak Herrick
- I am curious, independent, confident, I like to investigate and I like a challenge (Attitudes)
- I am a: maker of right choices, never giver upper, helper of others, member of the community, and finder of the unknown (Character)

As we enter the academic year 2022-23, our School Development Plan builds on the success of the previous year and continues to develop aspects that were either not embedded or introduced – in this, the second year of our plan you will identify strands that are highlighted in red, indicating that they were part of last year's plan.

We cannot deny that covid-19 has impacted education, therefore we want our children to be equipped with whatever life throws at them, for them to have key characteristics and an attitude that encompasses all the aspects of a positive learning culture. Two core features are essential in being successful in the 21st century - the uncertainty of qualifications, career paths, jobs etc. make 'character' and 'attitudes' all the more important. We at Herrick endeavour to develop both our 'Herrick Character' and 'Learning Attitudes', which we nurture and develop amongst all our children. In these times and going forward, we are determined to ensure that, 'learning never stops' – no matter what!

### 'Our Journey Post Pandemic'

In the past year, the first year of our 3 year plan – we endeavoured to ensure a good quality of education to the children in our care.

However, we must not be complacent. Education moves at a pace and we must consistently review our provision, adjust our practice and learn from research in order to maintain excellence and meet the demands of a changing educational landscape.

Aside from changing local and national agendas, with competing priorities, children and families are not 'constant' and progress is not linear. We cannot assume there will always be an upward trajectory of improvement simply because of previous success.

We also know, from first-hand experience, the challenges and barriers which can easily affect improvement at our school and progress for our children. Whilst these are created for reasons beyond our control, it is our job as educators to be the champion for children and 'to give each and everyone a chance' a reality for everyone at Herrick Primary School.

Our School Improvement Plan for 22/23 is about us considering how we overcome the barriers which we, like any other school, face and how we unleash the potential for us and for our children. We know that by, working together, we really can overcome any barriers and unleash the potential in every one. This year we have identified key priorities which have a number of actions to support in achieving successful outcomes.

Main priorities for improving the effectiveness of the school:	Practical action being taken:
<ol> <li>To further develop subject leaders in all areas of the curriculum.</li> <li>To develop effective assessment process in identified foundation subjects (Science, History, PE and computing).</li> <li>To ensure that the curriculum delivers effective opportunities for vulnerable children (SEN/PP/PYG) to make sustained progress.</li> <li>To improve writing outcomes in KS1 and KS2 (particularly at GDS)</li> <li>To improve teaching so that more teaching over time becomes outstanding</li> </ol>	<ul> <li>effective CPD (work with consultant and deep dive workshops)</li> <li>2. Subject leads support professional development for all staff in process of assessment in identified subjects ((Science, History, PE and computing).</li> <li>3. Embedding of curriculum maps, subject lead presentations-reflecting on M&amp;E activities to further support opportunities for children to make sustained progress.</li> </ul>

Evaluation of main priorities (1 – 5)

	Priorities	Actions	Summary
1	Develop subject leaders	clear programme of development	<ul> <li>Subject leads were able to form their new action plans</li> <li>individuals have brought learning from various workshops (History, Art, RE, Science) shared in staff workshops All subject leads are at different stages but all have progressed in their understanding of subject concepts.</li> <li>History leads supported staff with second order concepts in their planning (however, not consistent)</li> <li>Introduction of Science Sigma ensures teachers analyse and revisit gaps in learning.</li> <li>Science workshop delivered to ensure teachers are aware of key scientific skills in science (review autumn)</li> <li>Computing: leader for 1 year. Non subject specialist. Following courses &amp; research has inspired to lead computing. Talking with staff made strategic decisions re constructing the computing curriculum. Liaised with LA lead. Good knowledge of 3 NC threads. Staff surveyed re confidence in teaching. Purchased 'Teach' scheme. Good leadership strategy via 3 stage approach.</li> </ul>
2	Develop assessment (Sci. /His./PE/Com.)	staff supported in process of assessment	<ul> <li>Teachers generally have good subject knowledge and the scheme of work is always used.</li> <li>Key concepts are present in planning and teachers have knowledge of them.</li> <li>Children are sometimes presented with key concepts in class however they might not be able to use the terminology. Discussion and oracy skills are becoming embedded in History.</li> <li>Our curriculum implementation incorporates various assessment methods such as subject builders,</li> <li>Lumio questions, RAG (Red, Amber, Green) in the book, and front cover learning assessments.</li> <li>These diverse approaches provide both formative and summative assessment opportunities, enabling us to determine the level of students' understanding and identify any necessary next steps to address any gaps in their learning.</li> <li>One area of the curriculum which continues to need further development is the effectiveness of formative assessment – continually linking to progression statements (particularly in Science).</li> </ul>
3	effective opportunities SEN/PP/PYG	curriculum maps/ M&E	<ul> <li>Effective use is made of the POPs as a focus for the discussion between teachers and TAs. There is a robust system in place for monitoring the children's progress.</li> <li>Teachers are secure in forming next steps and identifying appropriate interventions-refer to POPs.</li> <li>POPs provision successfully delivered each term and majority of SEN children have met their targets and been moved on.</li> <li>June 2023-significant reduction in the amount of children requiring specific intervention. Target set can be delivered in classroom as part of daily learning.</li> </ul>
4	improve writing	work with LA literacy lead	<ul> <li>Year-long programme working with LA writing consultant – focus on greater depth and how best to develop pupil's writing stamina.</li> <li>Moderation reflects higher level of pupils' writing stamina, focus on spelling in year 1 to support progress in year 2.</li> <li>Scrutiny of work identifies a broad range of genres and strengths vary in each year group.</li> <li>Sentence structure developed throughout year through children's ability to rectify and self-evaluate (although</li> </ul>

			concerns raised in year 1).
			<ul> <li>Also reduction in pupils' cognitive load that led to lack of cohesion in pupils' writing – highlighted in year 4.</li> </ul>
			• Evidence of systematic approach to monitoring & changes made as a result eg more colourful semantics for some early writers. Specific key foci captured on 'further develop' sheet.
5	improve	monitoring and	<ul> <li>Development of overall practice in-line with 5 non-negotiables has supported learning and teaching;</li> </ul>
	teaching	support	• 3 ECTs all have successfully completed their 1st year (nursery, yr1 and yr2).
		programme	82% (9/11) reflect good progress in class observations
			• 18% (2/11) required support to ensure criteria was met to achieve set goals.
			• Lessons reflected good progress with a clear sequence of learning, however where lessons were less effective they
			would have benefitted from refining success to provide clear outcomes (key action for next year).
			<ul> <li>Early Reading (Little Wandle): Evidence of fidelity to scheme. Good use of technically correct language eg trigraph.</li> <li>Where teaching best, where misconception arose staff required pupil to rehearse at that time. Mostly staff articulate sounds accurately.</li> </ul>
			• CPD programme has effectively supported 3/5 main school priorities highlighted in SDP – (1) development of subject leads (evidence: portfolio/M&E documents and working collaboratively with triad and development group support), (2) Writing across the school – all teachers have worked throughout the year with LA writing consultant and have been supported through specific actions for their year groups (evidence: programme of actions and feedback from LA consultant), (3) teaching practice continues to reflect good practice (evidence: teaching observations/ M&E documents and pedagogy development linked to securing component learning before moving on to more complex composite tasks. this aspect continues to develop and further support the 2 others areas of SDP – supporting SEN/PP children and assessment.
			• We continue to review how effectively we support working/long term memory - all leaders have reflected on current stage of curriculum development. They ask questions such as, we are trying to do too much in respect of pupils being asked to store too much information in long term memory? Do teachers know what to emphasise (assessment as learning) through sequences of lessons? Key action taken – reduced curriculum plans with greater emphasis on ensuring progression statements are met.

# Milestones/Indicators

		T	
	Year 1	Year 2	Year 3
Shared vision and ambition at all levels through distributed leadership (1)	To establish a staff team that supports each other in developing practice through the GROW coaching model	Progress to self-reflective individuals who participate and engage in regular 1:1 coaching and consistently deliver high quality planning/teaching.	Develop all teachers as coaches through training and devise/design a staff initiated coaching programme.
Subject Development -clearly identified roles and responsibilities (2)	To support staff in the development of the new curriculum, ensuring all have understood overviews(intent), SOL(implement) and subject builders(impact)  To develop pedagogy in-relation to subject leadership and curriculum opportunities	Subject Leadership development  To support staff in appraising quality of children's work across different year groups with reference to the intent and SOL.  To support staff with reviewing planning (with emphasis on vocabulary) for their subject.	Subject Leadership development  To assess the impact of subject builders.  To be in a position to review curriculum intent and sol.
Rigorous and robust Appraisal/ M & E processes in place (3)	To correlate all appraisal targets with raising standards through teacher scrutiny and feedback from recovery outcomes	Appraisal Targets –intention is to secure good/high quality teaching across the school in the 3 following standards – 3 Demonstrate good subject and curriculum knowledge.	

	To devise new plan on meetings and CPD	4 Plan and teach well-structured		
	in-line with flexible working and ensuring	lessons &		
	clear progress of teacher development	5 Adapt teaching to respond to the		
	through weekly video / written logs	strengths and needs of all pupils		
		Review success of new plan and CPD		
		SLT to review impact of weekly		
		video/written logs and reshape accordingly.		
Post Covid 'Focus' (4)	To embed change that supports wellbeing and mental health for all staff, this to include (1) drive down unnecessary workload, (2) champion flexible working and diversity and (3)	SLT to provide termly 1:1 well-being meetings to prevent potential conflict, anxiety and opportunity to raise personal concerns. Further review roles and		
	maintain clear communication pathways with staff representatives (union and wellbeing leads)	responsibilities of Teaching Assistants - how skills can be further developed through external training/courses.		
Safeguarding (5)	Systematic approach to making Herrick a safe /secure place to learn for all children. Full compliance with safeguarding guidelines. CLT to have clear roles and responsibilities for strands of safeguarding (Safeguarding Hub).	Continue to consolidate safeguarding procedure and key information/knowledge for all staff through frequent short bursts of training.		
	All stakeholders are clear as to expectation at Herrick and their roles within this framework			
Health & Safety Procedures and Protocols in place (6)	Windows/ Lighting/ Heating -Work alongside the LA and its officers to ensure the fabric of the building and appropriate procedures are in place i.e. documentation re risk			
Governing Body (7)	To strategically plan for falling numbers and budget deficit

# Leadership & Management – Plan & Review

1.	Shared vision and ambition at all levels through distributed leadership			
To address/develop	(1.1)To build upon the coaching programme developed in previous year so that all teaching staff are	e supported in	teaching ar	nd learning the
	core skills (Herrick 5 non-negotiables) to improve outcomes.			
Yr Group/Phase	All Phases			
Staff Responsible	Class Teachers			
Monitoring	S.Kaur			
Term	Over the year			
Action	Teachers will self-reflect and engage in regular 1:1 coaching (timetable to be formulated and teachers).			
Impact/Cost	The coaching programme will be re-established, and support identified areas of staff development- teaching	hers consisten	ıtly deliver hi	gh quality
	planning/teaching. (all teachers judged to be good or better in-relation to 5 non-negotiables) £5000			
Outcome/s	Development of overall practice in-line with 5 non-negotiables has supported learning and teaching;	Outcomes: R	AG review s	uccess
	of the 3 ECTs all have successfully completed their 1st year (nursery, yr1 and yr2). 82% (9/11) reflect	Autumn	Spring	Summer
	good progress in class observations and 18% (2/11) required support to ensure criteria was met to	R A G	R A G	R A G
	achieve set goals. Overall, lesson reflected good progress with a clear sequence of learning, however	_	_	_
	where lessons were less effective they would have benefitted from refining success to provide clear			
	outcomes (key action for next year).			

2.	Subject Development - clearly identified roles and responsibilities			
To address/develop	(2.1) To support teachers distinguish between substantive and disciplinary knowledge when completing (focus on History and Geography)	g work scruti	ny and review	ring planning
Yr Group/Phase	Years 1-6			
Staff Responsible	Years 1-6 class teachers			
Monitoring	History leads/ Geography leads/ S.Kaur			
Term	Terms 1 and 2			
Action	Planning process and recording of children's learning is further defined to support staff understanding and collaborative work of key subject leads from each phase in developing teacher skill and knowledge specific phase in ensuring learning and success is clearly defined and understood.			
Impact/Cost	Staff confidence and skills in teaching History and Geography / development of subject leads and furth substantive and disciplinary knowledge overall, but particularly in His and Geo. Subject leads effectively feedback from M&E release. £0			
Outcome/s	History	Outcomes:	RAG review su	ıccess
•	Teachers generally have good subject knowledge and the scheme of work is always used. Key	Autumn	Spring	Summer
	concepts are present in planning and teachers have knowledge of them. Children are sometimes presented with key concepts in class however they might not be able to use the terminology. Discussion and oracy skills are becoming embedded in History.  Geography  More needs to be done to support teachers with the confidence in teaching Geography, using	R <mark>A</mark> G	R A G	R A G
	atlases/maps and fieldwork. Since the changes in the teaching of Geography - the use of the RAG has supported the SOL and assessment within the classroom. Resources need to be updated urgently to			

	ensure data is accurate.			
To address/develop	(2.2)To train all new staff in delivery of systematic synthetic phonics (ECTs – Nursery/Yr1 and Yr2) + nev	w TAs		
Yr Group/Phase	EYFS and KS1			
Staff Responsible	ECTs + new TAs			
Monitoring	A.Aydin			
Term	Term 1.1			
Action	To continue to consistently implement the Phonic programme, 'Little Wandle'. Review new Phonics pro to plan groups Updated Phonic training for staff.			
Impact/Cost	Phonic outcomes will be at National for Year 1 and 2 / improve upon previous year 21-22: 77% and 569	% in years 1 an	d 2 respective	ely. £ 11 000
Outcome/s	Little Wandle phonics scheme was introduced in the spring term, 2022. Staff have built their own	Outcomes: R	AG review su	ccess
,	knowledge of the scheme well and quickly (seen in the typically effective teaching). Staff continue to become fully familiar with language and pedagogy. The scheme is also used to underpin guided	Autumn R <mark>A</mark> G	Spring R A G	Summer R A G
	reading sessions.	l K A	I N / C	
	Evidence of fidelity to scheme. Good use of technically correct language eg trigraph. Where teaching			
	best, where misconception arose staff required pupil to rehearse at that time. Mostly staff articulate			
	sounds accurately.			
	Good use of repetition which helps pupils rehearse and embed. Effective behaviour management			
	strategies. Effective TA support. Year 1 phonic results 60% which is 17% below 2022 and Year 2			
	outcome 3% above 2022 (59% and 56% respectively).			
	outcome 3% above 2022 (59% and 56% respectively).			
	(2.3) Further develop teaching of Geography and Science through outdoor learning opportunities.			
Yr Group/Phase	(2.3) Further develop teaching of Geography and Science through outdoor learning opportunities.  All Classes			
Yr Group/Phase Staff Responsible	(2.3) Further develop teaching of Geography and Science through outdoor learning opportunities.  All Classes  B. Lad/ R. Shukla/M.Nai/

		1	1	
To address/develop	(2.4) Subject Builder through formative and summative assessment			
Yr Group/Phase	Years 1-6			
Staff Responsible	Class Teachers			
Monitoring	S.Kaur / Phase leaders			
Term	To be completed by Spring 2023			
Action	Teachers encouraged to carry out short assessments and revisit learning to secure understanding and a to monitor teaching and learning-3 random tests.  [22-23]  Review assessment opportunities – Science (programme purchased for new academic year)	an overali onlin	e assessment	tor children
	Continue with Lumio for summative assessment			
	Share practice on formative assessment in foundation subjects			
Impact/Cost	Majority of children achieve 90-100 % in online tests on subject knowledge. £200	<b>T</b>		
Outcome/s	<ul> <li>Evidence of Lumio quizzes – however overall AFL must be addressed</li> </ul>	Outcomes: RA		
	<ul> <li>Development of formative assessment needed (reviewing understanding of what has been</li> </ul>	Autumn(22)		
	taught)/ Building on prior knowledge is evident in 11/14 classes – support through coaching  Summative assessment to be further developed in foundation subjects  [22-23]  Our curriculum implementation incorporates various assessment methods such as subject builders, Lumio questions, RAG (Red, Amber, Green) in the book, and front cover learning assessments. These diverse approaches provide both formative and summative assessment opportunities, enabling us to determine the level of students' understanding and identify any necessary next steps to address any gaps in their learning. One area of the curriculum which continues to need further development is the effectiveness of formative assessment – continually linking to progression statements (particularly	R <mark>A</mark> G	R <mark>A</mark> G	R <mark>A</mark> G
	in Science).			
3.	Rigorous and robust Appraisal/ M & E processes in place			
To address/develop	(3.1) To ensure our CPD plan is aligned to improvement priorities for all staff.			
Yr Group/Phase	All year groups			
Staff Responsible	CLT			
Monitoring	S.Kaur/ A.Aydin			
Term	All year			
Action	CPD calendar formulated to support school priorities and appraisal targets aligned to personalised learning and teaching.	to develop ke	y goals to ra	aise quality o
Impact/Cost	All teachers participate in CPD that promotes development of professional knowledge and skills linked been formulated to support raising standards at Herrick Primary School. Also teachers aware of current and teaching. £0	to the school de practice and th	evelopment p ninking relate	llan that has d to learning
Outcome/s	CPD programme has effectively supported 3/5 main school priorities highlighted in SDP – (1)	Outcomes: RA	AG review su	ccess
1	development of subject leads (evidence: portfolio/M&E documents and working collaboratively with	Autumn	Spring	Summer
	triad and development group support), (2) Writing across the school – all teachers have worked throughout the year with LA writing consultant and have been supported through specific actions for	R <mark>A</mark> G	R <mark>A</mark> G	R <mark>A</mark> G

	their year groups (evidence: programme of actions and feedback from LA consultant), (3) teaching practice continues to reflect good practice (evidence: teaching observations/ M&E documents and pedagogy development linked to <u>securing component learning before moving on to more complex</u> <u>composite tasks.</u> this aspect continues to develop and further support the 2 others areas of SDP –					
	supporting SEN/PP children and assessment.					
To adduce /develor						
To address/develop	(3.2) Secure understanding of working memory/long term memory/adding to schema to further enhar  Rec-Year 6	ice teaching ai	ia learning			
Yr Group/Phase						
Staff Responsible	Class Teachers					
Monitoring	S. Kaur/U. Patel					
Term	To be completed by Spring 2023					
Action	Provide CPD (metacognition in term 1), workshops and literature to further develop understanding of helarning and revisiting learning- use EEF recommendations and tried and tested methods. and behaviour concerns.		
The training, Trauma Informed Practice for Primary, for all staff has been booked on August		
Inset day.		
[22-23]		

2.	SMSC						
To address / develop	(2.1)To further explore opportunities to target healthy lifestyles and wellbeing via our PE and PSHE school curriculum.						
Yr Group /Phase	Rec -Yr6						
Staff responsible	All staff						
Monitoring	S.Punchard						
Term	Term 1 -3						
Action	Devise timetable for both PE apprentice and external sports coach in developing an extension to P key year groups. Further develop the quality of outdoor play by maintaining quality resources citizenship in particular. Also understanding other aspects of Herrick character – integrity, empathy a	Devise timetable for both PE apprentice and external sports coach in developing an extension to PE via 'Character programme' aimed at key year groups. Further develop the quality of outdoor play by maintaining quality resources and development of resilience and citizenship in particular. Also understanding other aspects of Herrick character – integrity, empathy and courage					
Impact/Cost	Pupils behave consistently well, demonstrating high levels of self-control and consistently positive att right choices. Children are well-informed of poor diet and impact of limited exercise and sleep. This leads in the behaviour of pupils who have particular needs. £6000	itudes to he	althy living				
Outcome/s	Pupil's wellbeing is paramount at Herrick and this is being addressed through PE and PHSE	Outcome	s RAG revie	ew success			
	curriculum. (However, this was impacted in Spring when both our Sports teacher and sports			Te			
	<u>assistance left</u> ]. Pastoral interventions are also in place to support children that may need additional	Aut.	Spr.	Sum.			
	support in friendships, social situations, and resolving conflict. This has had a positive impact on	R <mark>A</mark> G	R <mark>A</mark> G	R <mark>A</mark> G			
	attendance with children who may have been reluctant to attend school.	_	_	_			
	We inspire the children by motivating high levels of decision making from reception through to year 6. This is supported with red and yellow hat ambassadors who independently help with creating an ethos of helping of others throughout the school.						
To address/develop	(2.2)To develop higher profile of e-safety across school						
Yr Group/Phase	Rec – Y6						
Staff Responsible	All staff						
Monitoring	A.Aydin						
Term	Terms 1-3						
Action	Promote e-safety work, across the school as well as directly with parents/carers, in order to minimise behaviour outside of school. To lead assemblies and workshops each term on e-safety with both pare provide relevant information on e-safety.						
Impact/Cost	Limit incidents of negative use of social media and further inform parents/carers on protocols and prapplied at home. Ensure all children aware of what to do and who to contact if they are confronted to						

	of internet. £0
Outcome/s	Promoting e-safety though our school curriculum and our school website has been supported by  Outcomes: RAG review success
	online safety newsletter and fortnightly e-safety assemblies. In addition, e-safety workshop have are Autumn Spring Summer
	being created to help create awareness for our parents/carers to support our pupils. This allows key  R A G R A G R A G
	issues to be addressed in regards to pupils keeping themselves safe in and outside the school environment.

3.	SRE (RSE)						
To address / develop	(3.1)Ensure parents' engage with RSE curriculum to support in specific 'Jigsaw' piece which relates to Changing Me (communicate prior to						
	teaching lessons – content and vocabulary to be shared						
Yr Group /Phase	Rec – Y6						
Staff responsible	All staff						
Monitoring	B.Mankoo						
Term	Term 1-3						
Action	Workshops aimed at reviewing 'working party' outcomes on RSE curriculum, expectations on co children with questions and concerns that may arise.	llaboration v	vith parents'	in supporting			
Impact/Cost	Effective working relationship with parents/carers through collaboration. All themes and specific vortime with senior leaders arranged if concerns remain with content of programme. Most importantly rationale and purpose behind RSE curriculum, and can support their child at home through understached. £0	/ parents/care	ers have fully	understood /			
Outcome/s	Our curriculum supports this through the delivery of PSHE/RSE using the Jigsaw programme consistently throughout the school.	Outcomes RAG review success					
	Personal, social and emotional development at Herrick is supported by creating a spiritual, moral	Aut.	Spr.	Sum.			
	and socially cultural ethos within the school, where each and every child feels safe and valued.  Effective home/school communication and transparency is important at Herrick, therefore the delivery RSE with our current demographics has been reviewed. The current Jigsaw (PHSE/RSE) scheme of work was adapted by creating a parent/carer working party to review the RSE curriculum. This has resulted in successful delivery of the RSE curriculum and consequently allowing our pupils to be open and tolerant of sensitive issues in everyday life.	R A G	R A G	R A G			

4.	British Values
To address / develop	(4.1)To develop a programme of activities to support our children in raising their aspirations.
Yr Group /Phase	Yr3-6
Staff responsible	Phase leaders: S.Punchard/ B.Mankoo
Monitoring	A.Aydin
Term	Terms 1-3
Action	Calendar reviewed and opportunities planned for children to investigate careers development within a range of subjects; arts, STEM, etc.
Impact/Cost	The vision of 'to give everyone a chance' at Herrick extends beyond academic success. It includes developing children who demonstrate
	the Herrick character and Learning Attitudes. In order to help achieve this, it is important that we strengthen the teaching of British
	Values, and the celebration of faith & diversity, at our school through ensuring they look ahead and think about their future goals. £0

Outcome/s	All faiths are celebrated through faith assemblies and diversity is celebrated ensuring we as a school are positively looking ahead and thinking about future goals. Regular visits to different places of	Outcomes RAG review succe		/ success
	worship allow the children to make links with religion whilst showing respect as active citizens to	Aut.	Spr.	Sum.
	society.  Any links with demographic conflict within our local environment have not impacted the children's	R A G	R A G	R A G
	learning as an ethos of open communication is always welcomed.			

Behaviour & Attitudes						
	Year 1 2021-2022	Year 2 2022-2023	Year 3 2023-2024			
		Milestones/Indicators				
Protocols/Procedures in place a whole school level	To develop awareness of good hygiene practice and ensure all children are aware of the routines and procedures in school that are there to keep them self	To maintain standards in hygiene practise post covid and children to recognise the benefits of long term practice of good hygienedental, handwashing, clean clothes, lunchtime standards as lifelong skills				
Curriculum development to reflect whole school approach to Healthy Lifestyles	To develop understanding of maint through exercise and diet	I aining and living a healthy life style				
Herrick Character and Learning Attitudes	To ensure the 'Herrick Character' and 'Learning Attitudes' are embedded in all aspects of school life – learning never stops!  To use the school ethos- 'to give everyone a chance', promote school values including 'being never giver upper' (resilience)	Through new PTA, support parent community with promoting school/shared values at home.	Opportunities created to demonstrate Herrick Character/Learning Attitudes through various initiatives/after school clubs through work with PTA. Example-raise money for wider community and charities by being involved in challenging sports events, social gatherings etc.			

## Behaviour and Attitudes - Plan and Review

1.	Protocols/Procedures in place a whole school level			
To address/develop	(1.1)To ensure that behaviour routines are consistently embedded across the school and support staff	fin addressing	'trauma' need	ts.
Yr Group/Phase	Rec – Yr6			
Staff Responsible	All staff			
Monitoring	A.Aydin			
Term	Terms 1-3			
Action	Arranged training for all staff – CPD on 'trauma informed training'.			
Impact/Cost	Develop a 'trauma responsive' understanding with all stakeholders so that individuals can support each circumstances. Confidence among staff in ensuring barriers to learning for those children cab effective £700			
Outcome/s	Staff have a greater understanding of the changing demographic of our school and the possible	Outcomes:	RAG review su	uccess

Staff Responsible	All staff			
Monitoring	A.Aydin/ B.Ladd			
Term	Tems 1-3			
Action	Working collaboratively with families (using behaviour policy) in understanding 'bullying' and de unhappy or unsafe.			
Impact/Cost	Pupils' consistently have highly positive attitudes and commitment to their education. They are highly difficulties. They demonstrate resilience to maintain a strong focus on learning at all times. £150	motivated and	persistent in	the face of

Outcome/s	The development of the Pastoral Lead at school has undergone review and is now an aspect of	Outcomes: RAG review success		
	school life that allows identification of children with particular needs. These needs maybe a barrier to	Autumn	Spring	Summer
	the attendance and learning attitudes that the children display. Specific children identified with	R A G	R <mark>A</mark> G	R A G
	pastoral need reflect a higher level of attendance and a reduction in behaviour incident. (refer to			
	pastoral notes)			

2.	Curriculum development to reflect whole school approach to Healthy Lifestyles				
To address/develop	(1.4)To continue to build upon good practice accredited with 'Healthy Schools Award - Silver'.				
Yr Group/Phase	Rec-Yr6				
Staff Responsible	All Staff				
Monitoring	B.Mankoo				
Term	Terms 1-3				
Action	PHSE lead to work towards 'Silver' award (Healthy Schools).				
Impact/Cost	Embed the use of the 'edible garden' within the school to enrich the curriculum and support 'healthy so in kitchens/food tech lessons. £200	chool work, e.c	g. by using pr	oduce grown	
Outcome/s	An increased awareness and positive attitude towards healthy lifestyles has been further embedded:	Outcomes: R	AG review su	ccess	
•	physical activity sessions, active morning tasks, two hours of PE per week and cooking within the	Autumn	Spring	Summer	
	curriculum has helped lead the school to achieving the 'Silver' award for Healthy Schools.	R <mark>A</mark> G	R A G	R A G	
To address/develop	(1.5)To develop enrichment opportunities				
Yr Group/Phase	Yr 1-6				
Staff Responsible	All staff				
Monitoring	A.Aydin				
Term	Terms 1-6				
Action	Consider strategies to extend wider enrichment opportunities (e.g. peripatetic music tuition/performan extracurricular uptake. Review after school offer in-relation to parent/carer survey.	ce, sports com	oetitions etc)	and increase	
Impact/Cost	The school consistently promotes the extensive personal development of its pupils by going beyond what access to a wide and rich set of experiences, which develop their range of talents and interests. £0	nat is expected	, to ensure pu	ıpils have	
Outcome/s	The after school offer was extended to all PP children and the access to level one sporting  Outcomes: RAG review success				
,	competitions were implemented across the school year (KS1 and KS2). A health foods group was	Autumn	Spring	Summer	
	identified and had the opportunity to take part in after school sessions. An extracurricular review was	R A G	R A G	R <mark>A</mark> G	
	undertaken and provision for 23/24 has been planned through pupil voice.	_	_	_	
	A community led project was initiated to utilise the gardens and children will be involved in				
	maintaining and growing the edible gardens in the Autumn term.				

3.	Herrick Character and Learning Attitudes
To address/develop	(3.1)Secure understanding of working memory/long term memory/adding to schema to further enhance teaching and learning – develop policy to embed 'metacognition' to support school's learning attitudes (chal, confido, curio, indi, investigo)
Yr Group/Phase	Rec-Year 6
Staff Responsible	Class Teachers

Monitoring	S. Kaur/U. Patel						
Term	To be completed by Spring 2023						
Action	Provide CPD (metacognition in term 1), workshops and literature to further develop understanding of how children learn, importance of prior learning and revisiting learning- use EEF recommendations and tried and tested methods.  (22-23)						
Impact/Cost	Impact: Improved planning and teaching evident in term 3. £0						
Outcome/s	<ul> <li>Limited planning (curriculum in retrospect) shows metacognition workshop ideas have been implemented in classroom practice. However, this is inconsistent across the school.</li> <li>Year 5 PYG children's concentration and learning attitude improved after classroom layout was reviewed in hall/staffroom after discussion on learning attitudes.</li> </ul>	Outcomes: R Autumn(22) R A G		ccess Summer(22) R <mark>A</mark> G			
To address/develop	(3.2)Learning attitudes flow diagram to support children focus on successful learning						
Yr Group/Phase	Ks1 – Ks2						
Staff Responsible	All staff						
Monitoring	S.Kaur						
Term	To be completed by Spring 2023						
Action	Introduce learning attitudes flow diagram and discuss purpose and intended impact on learning, where necessary involvement of parents/carers to discuss ways forward.  (22-23)						
Impact/Cost	For children to recognise, 'if my work rate is to of a high standard, I will make good progress and be av skills of metacognition and self-regulation in maximizing learning. £0	varded positive	points.' Child	ren apply			
Outcome/s	[22-23] With the introduction of the Learning attitudes flow chart (A&B 3.2) low level disruption has been clearly distinguished behaviour attitudes towards learning and behaviours. Often demonstrated as a precursor to poor behaviour choices, children's learning attitudes flow chart allows for restorative practice to take place. Behaviour incidents in class has continued to decline throughout the year as reported on CPOMs – Autumn 18, Spring 10 and Summer 4.	Outcomes: R/ Autumn(22) R A G		ccess Summer(23) R A G			

EYFS						
	Year 1 2021-2022	Year 2 2022-2023	Year 3 2023-2024			
		Milestones/Indicators				
Curriculum (1)	To provide a curriculum that is holistic and personalised to the children's needs – key areas (S+L, Phonics, Reading and PSED)	Development of continuous provision encourages and supports Herrick character and learning attitudes				
Assessment (2)	To adopt a new EYFS reforms – assessment	Robust monitoring supports identification of specific need and adapting plans accordingly				
Initiatives (3)	To develop outdoor learning programme	Strengthen partnership with parents through shared collaborative work				

## EYFS - Plan and Review

1.	To provide a curriculum that is holistic and personalised to the children's needs					
To address / develop	(1.1)Key areas S&L, phonics, reading and PSED					
Yr Group /Phase	Phase 1					
Staff responsible	EYFS staff					
Monitoring	A Aydin					
Term	1.1 to 3.2					
Action	To plan topic related key vocabulary and questioning sessions once a week. (22-23)					
Impact/Cost	Children will use the correct vocabulary in learning through play while exploring set activities. Extend children's vocabulary. Children will have good understanding of questions words and use them effectively when they learning in continuous provision.  Planning, Observations and S&L data to reflect higher level of children achieving PSED >80%. £0					
Outcome/s	Talk for writing sessions	Outcomes	RAG review	riew success
