

**Herrick Primary  
School**

**Welcome to our  
School Council**

# Meet Our Team!

**We are your School Council Team with Mrs Lad (HLTA) as our representative**

## **Why do we have a School Council?**

**At Herrick, our priority is to ‘give each and everyone a chance’. Being part of the school council allows the children to be part of the life and daily diaries of our school and share ideas and opinions of school life.**

# What is the role of the school councillors?

## Meetings

The School Council is a way in which children can express their ideas and views in how the school is run. Weekly meetings are held and minutes are taken. The information and any thoughts expressed are shared with the Head Teacher of the school.

## Listen

Our School Council is an opportunity for children to make a positive change!

Any of the pupils can talk to us at any time to let us know if they have a concern about something at school or if they have a great idea they would like to make happen for the school.

## Help

The School Council help around the school and are involved in events in school.

The Red Hats encourage children to eat their lunches and behaviour in the playground is good because we are role models for the children

I love being a FAB because children know they can come and talk to me if they feel lonely, and I can find them a friend to play with. Helping other children is a nice feeling

I've been helping by making sure children don't argue and they play nicely. I also enjoyed sharing ideas for the outdoor area in KS1
